About the Event

This event is sponsored by Century Homecare, LLC as our 10 Year Anniversary keystone project. This event aligns with our core value of “Engagement in the community through charitable giving and volunteering”. Over the last ten years, Century has supported community organizations in Worcester and other cities around the state focusing on elder services, youth programs, programs that increase healthcare access to underserved communities, etc. As a 10-year anniversary project, the employees of Century Homecare wanted to highlight an organization that is making a big difference in the lives of less fortunate families in Worcester.

As a healthcare organization providing services to underserved communities, Century recognizes the important role that education plays in eliminating barriers to health care. This is particularly important for immigrant families, most to whom are non-English speakers and in need of urgent health care services. African Community Education (ACE) is an organization based in Worcester with a mission to break this barrier.

*100% of proceeds from the tournament will benefit **African Community Education**.*

About ACE

Worcester is one of the largest hubs in the country for African-born immigrants, with a population near 20,000. Many members of these communities, including many refugees, face significant barriers to finding socio-economic success upon moving to the United States. Founded in 2006, African Community Education's mission is to assist African refugee and immigrant youth and families in achieving educational success and socio-economic stability through access to academic support, leadership development, cultural expression, and community outreach. ACE's vision is a community where African refugees and immigrant youth and families are empowered, self-sufficient, and secure.

As ACE continues with its expansion to better serve the community, we hope that this golf tournament will not only help raise funds towards ACE's ongoing projects and needs, but also raise awareness about the great work that ACE is doing in the City of Worcester.

How You Can help

Join 100+ top executives in the region for a day of golf and networking. The game will be followed by a lunch. You can support in one of the following:

- ◆ Golf Ticket: Buy one or more tickets and enjoy a game in one of the country's best golf courses. Multiple ticket discounts are available.
- ◆ Corporate Sponsorships: Get your company in front of 100+ leading executives in the state. There are several support options to fit any budget. To signup as a sponsor, use the form attached.
